

# New Interface for Jagged Alliance 2 Unfinished Business

## 1. Information

This new interface is based on all interfaces that I found on Internet. I took the best pictures from each of them and put together.

## 2. Compatibility

This interface works with **all versions** of Jagged Alliance 2 Unfinished Business but only under **640x480 resolution**. Also works with all modifications which are based on JA2 UB but only if they did not change the default interface.

## 3. Installation

Copy folder **“Data”** and paste him to the main folder of your game.
