

# Sandbags on Roofs

## 1. Information

This modification allows you **to put sandbags on all kind of flat roofs.**

Do not put several different sandbags on roofs at the same place because the game will show only this sandbags that you put as the last one.

All sandbags on roofs allows to be invisible to all persons that are in prone position.

## 2. Compatibility

This modification **works with all versions of Jagged Alliance 2** and also if basic Tilesets were not changed with all modifications of Jagged Alliance 2.

## 3. Installation

All folders and files from **“Sandbags on Roofs”** directory copy and paste to the main folder of your game where is map editor and also copy and paste to the main folder of your game where new maps will be added.
