(Play with Ultimate AIM-Professionals mod)

Thank you for downloading this music set to Jagged Alliance - Back in Action

All of this set is downloaded from SoundCloud website where talented people are sharing their music.

All of these files are under Creative Commons license (free to use).

I hope you like this set as much as I have liked it.

Install these files in the bin\_win32\music directory in your Jagged Alliance game.

If you want to keep the old files, then make of them a copy first.

My best thanks goes to all of them who made these and we hope they continues doing these nice battle musics for us.
